STATEMENT OF FACTS

In a recent review of Application No. 09/921,803, entitled "Elevator Belt Assembly with Waxless Coating," filed on August 3, 2001, as well as an invention disclosure related to wax removal from TPU of coated belts, it was determined that the undersigned, David W. McKee, contributed to the invention claimed in the subject application.

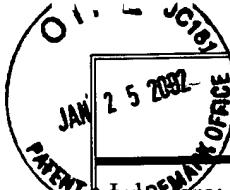

The omission of the undersigned as a named inventor was without deceptive intent.

David W. McKee
